How to donate

Please return this form together with your cheque to the:
Fundraising Manager, Norfolk Community Health and Care NHS Trust, Charitable Fund, Elliot House, 130 Ber Street, Norwich, NR1 3FR
Charitable fund number: 1051173

Charitable Fund
The best way to say thank you

“We still miss Darren so much. We will never forget him and fundraising is our way of helping someone else and keeping his name going. He would love to know he is still helping other people…”

Fundraisers Maureen and Beverley Tubby, and Tracy Dunthorne

The transformation in my dad has been incredible and none of this would have been possible without your amazing staff, so now I’m running the Royal Parks Half Marathon as a small thank you from me…

Fundraiser Jayne Pooley

What are charitable funds?

Often, people like to express their appreciation for the help and care they have received, by making a donation to the Norfolk Community Health and Care NHS Trust Charitable Fund.

What will your donation be used for?

Charitable funds can be used to:

- Provide equipment and services that would not normally be provided through NHS funding
- Improve funding for advanced staff training
- Provide additional benefits for the care of patients

If you wish to make a donation for a specific purpose, such as a piece of equipment, or for a specific service, please discuss this with a member of staff, contact our Fundraising Manager, or make it clear on the Donation Form on the back of this leaflet.

The whole family has benefitted from the brilliant support given to our little boy, Joshua. Donating his birthday money is his way of giving a little something back…

Cate Pyke, mum of fundraiser Joshua

How can you make a donation?

If you would like to make a donation, there are several ways you can do this.

- You can use the Donation Form overleaf and return it with a signed cheque
- You can make an online donation at nchandc.com/donate
- You can always fundraise, whether it’s planning a challenge, organising or entering a sponsored event, or hosting a pub quiz. You can make it easy for friends and family to support you and donate online by setting up a donation page at Virgin Money Giving: www.virginmoneygiving.com
- Some people make standing orders or direct debits from their bank accounts to our charitable funds; others use the payroll giving scheme which allows us to receive your donations straight from your salary before tax has been deducted
- Leaving a gift in your will to our charitable fund is a wonderful way for your generosity to last beyond your own lifetime

Find out more

Our Trust’s Fundraising Manager is on hand to answer your questions and to help you make your donation in the way that is right for you.

Simply email: gary.wiltshire@nchc.nhs.uk and he’ll get back to you, or call 01603 693651 or log onto: nchandc.com/charitable-funds

Increase your donation for FREE giftaid it

You could let the taxman increase your donation if you pay income tax.

This means we can reclaim the tax without any cost to you by ticking the Gift Aid Box.

Our Trust can reclaim the tax on all donations through the Gift Aid Scheme with no added cost to the person making the donation.

Currently, we can claim 25p in every £1, so if you were to donate £10 we would receive £12.50.

The support and care my friend has received is absolutely fantastic and the progress he has made is inspiring…a lot of it is thanks to the great staff at the unit. I just wanted to give something back…

Fundraiser Ben Steeves
